CURRICULUM VITAE

Donghyun Kim, Ph.D.
School of Electrical and Electronic Engineering
Yonsei University, Seoul, KOREA
donghyunkim@yonsei.ac.kr
Office) 02-2123-5874 (C228)
ResearchID: G-5096-2012

Current Title: Professor
Lab: Medical Imaging Research Lab.

EDUCATION:

1991.3-1997.2	Yonsei University, Seoul, KOREA	B.S. Electronic Engineering
1997.9-1999.4	Stanford University, Stanford, CA	M.S. Electrical Engineering
1999.4-2003.9	Stanford University, Stanford, CA	Ph.D. Electrical Engineering

Dissertation: *Technical developments for in vivo ^1H magnetic resonance spectroscopic imaging*

Postgraduate Training (Postdoctoral Fellow)
2003.9-2004.12 Stanford University, Stanford, CA Dept. of Radiology

EMPLOYMENT:

1998.6-2003.9	Lucas MRI/S Imaging Center, Stanford University	Research Assistant
2002.6-2002.9	General Electric Medical Systems, Menlo Park, CA	Internship
2004.1-2004.12	General Electric Healthcare, Menlo Park, CA	Consulting Engineer
2005.1-2006.7	Department of Radiology, UC San Francisco	Assistant Professor
2006.9-2011.2	School of Electrical and Electronic Engineering, Yonsei University	Assistant Professor
2011.3-current	School of Electrical and Electronic Engineering, Yonsei University	Associate Professor

(내부검직: 영상의학과 2007.9.1 – 현재)
(내부검직: 대학원 계산과학공학과. 2009.09.01 – 2013.08.31)

2013.8-2014.8	Department of Radiology, Stanford University	Visiting Professor
2016.9-current	School of Electrical and Electronic Engineering, Yonsei University	Full Professor
